## Circle of Security Parenting Training© and Circle of Security Parenting© DVD Auckland, New Zealand

Presented by Glen Cooper - Circle of Security® Co-ordinator

**Circle of Security®** has established a new DVD parenting education program offering the core components of the evidence-based and internationally acclaimed COS® protocol. This 4-Day seminar trains professionals to use an eight-chapter DVD to educate parents and caregivers. The program presents video examples of secure and problematic parent/child interaction, healthy options in care giving, and animated graphics designed to clarify principles central to COS®. **Circle of Security Parenting©** implements decades of attachment research in an accessible step-by-step process for use in group settings, home visitation, or individual counseling. **The Circle of Security Parenting® DVD is an outstanding contribution and a "must see" for parents of young children. Focusing on how parent/child relationships can be strengthened, this unique approach teaches parents and those helping them new ways to understand children's needs and behavior. It also offers effective ways to respond to these needs and behaviors. I have found it invaluable in my own work with parents of young children.**
