PRE-CONFERENCE WORKSHOP

with Sherryl Scott Heller

An Essential Feature of Reflective Practice - Reflective Supervision

WHEN: Tuesday 23 October 1-5pm

COST: \$138 (incl GST)

REGISTER @ www.imhaanz-preconf.lilregie.com

This workshop will define both reflective supervision and its purposes for those working with infants, young children and their families. This will include what steps a supervisee should take to be an active participant in reflective supervision and describe the actions a supervisor takes to create a safe environment. Video vignettes and participate exercises are used to support participant integration of the information presented.

Visit our website for full details.
